Antioch High Led Northwest Conference in Basketball Statistics

From seventh place last year the Antioch High School basketball team soared to the champions of the Northwest Conference in both the varsity and freshman-sophomore standings this year.

The varsity team placed three men among the top scorers in the conference as shown by the following statistics:

Northwest Suburban Final Standings				
	W	L	OP	TP
Antioch	12	0	533	713
Palatine	10	2	537	690
Ela-Vernon	8	4	696	761

Eleven New Members Elected to Honors Group at A. T. H. S.

Six seniors and five juniors were elected to the National Honor Society at Antioch Township High School this week.

The seniors are Boake Baird, William Deering, Mary Fields, Robert Bernquist, Jeanne Hughes and Bruce Stahmer.

The juniors are Joanne Haak, Wendy Midgley, Donna Martin, Shirley Ross, and William Terry. Juniors elected last year are Eugene Baethke, Charles Bock, Joan Cervenka, and Loraine Steinel.

The students were chosen on the basis of character, scholarship, leadership, and services to the school.

V. F. W. Sets Mar. 14 For St. Patrick Dance

The Veterans of Foreign Wars made plans at the last meeting to celebrate St. Patrick's day with a free dance and party Saturday, Mar. 14. It will be held in the club rooms located at Route 21 and Loon Lake road starting at 8 o'clock and will be open to the general public.

All members of the V. F. W. are reminded that next Monday night, Mar. 16 is a regular business meeting of the post and at which time the annual election of officers will take place. Each member is urged to come out to this meeting and help elect a slate of officers for the coming year.

Lakeland Players To Present Play, "Harvey" in Fall

Mr. Claire Lundy, associated with the Lundy School of Expression and also with the Serio-Comic Players of Waukegan, cast the fall production of the Lakeland players at a recent meeting of the players held at the home of Mr. and Mrs. Wendell Nelson at Lake Villa.

Chosen for production during the next season for the first offering was "Harvey," well-known comedy. Those in the cast will be Mrs. Jack Steiber, Mrs. Lee Goons, Robert Taylor, Harold Nelson, Mr. and Mrs. M. W. Hagen, Mr. and Mrs. Robert Lindblad, Mr. and Mrs. Ray Westerlund, and Mr. and Mrs. Wendell Nelson.

Willnot Play Tomorrow
Willnot High school will present the comedy "Off the Track," at 8:15 p. m. tomorrow at the school auditorium. The cast of 13 persons will be directed by Genevieve Guyler, a teacher, and Audrey Price, a student.

Ballot Ready for Town Election on Tuesday, April 7

With Monday, March 9th, the deadline, passing without any withdrawals of papers of candidacy, the town ballot will go to the printers this week.

Candidates on the ballot will be the same as previously reported with the exception of an additional candidate for constable, namely Gile Edwards of Channel Lake, whose name was inadvertently left out of listings of candidates in previous stories of the coming election.

Candidates are being invited to submit autobiographical material to the Antioch News, that they may be better known by voters before the April 7th election.

Conference Will Have Greater Number of Activities Gatherings

Additional activities days were planned for the Northwest High School conference in a meeting of principals at Palatine yesterday.

Besides the Music Festival, College day, Vocations day and Student Council days, the principals plan to add Girls' Athletic Association day, Lettermen's day, Cheerleaders' day, and Drama and Speech day.

"We plan to bring these groups of central interest together at least once a year to discuss their problems and to arrive at solutions where possible," said Principal Albert Dittman who with his assistant, E. W. Edwards, attended the meeting.

The principals will meet next month at Wauconda and there will set the dates and select the places for the meetings.

Those who presented the plan to the group were Principals Richard Warfield of Wauconda, and Dr. Watson of Northbrook.

Receive Copy of 100-Year-Old Letter Mailed to Penn. from Lake County

A very interesting letter, written on March 14, 1853, was received this week at the Antioch News from James M. Bigelow, 2031 E. Fernwood Ave., Milwaukee. Mr. Bigelow's letter is reproduced below:

Feb. 27, 1853

Editor, Antioch News,

Antioch, Illinois

Dear Mr. Editor,

I came across an old letter in my collection which I thought might perhaps be of some interest to you. It is not a remarkable letter except that it was written by a youth of your section of Lake County to his uncle in Pennsylvania just a hundred years ago.

It was posted at Ft. Hill, which I was able to locate on a 1837 map of Illinois, but was written at Yorkville, likely a crossroad "corners" nearby.

The letter is written in ink on yellow paper with pale blue lines, about 10 x 15 inches in size, folded to about 3x5, had been sealed with wax, addressed on the front side, a regular "folded letter" of that day. No postage stamp was used, probably not available, also not required at that time.

The address appears as follows, letter for letter:

Charles Kennedy
North Hampton Co
Slate Ford Po
Penn

Ft Hill

The postmaster wrote in the "Ft Hill" and "Paid 3."

(A typewritten copy of the old letter was enclosed.)

Yorkville Lake County Ill.

March 14th 1853

Dear uncle I take this opportunity to inform you that we are well at present hoping those few lines to find you in the same state of health.

It has been some time since we heard from you, but still we have not forgotten you, I will now give you a little account of things in Illinois times is very hard here,

wheat winter, is from 80 cts to 85 a bushel spring is 70 cts to 75, oats is 25 to 30 cts potatoes is 30 to 35 cts pork is \$6.50 per cwt, beef is \$4 to \$5 per cwt, weas is from \$13 to \$15 dollars a month, oxen is 80 to \$90 a yoke horses is accordingly land

H & T Co. Factory Has Rapid Expansion; Employs 40 Women

Antioch Industry Makes Millions of Plastic Car Accessories

Started only last year, the H and T Manufacturing Co. is already cramped for room at its plant in the former Burgess Battery Co. building, so rapidly has it grown.

Forty women are now employed in turning out thousands of different articles, mainly automobile accessories.

William Nilsson, vice president and Thor Peterson, as plant manager, have progressed rapidly in developing the factory as the largest manufacturers of automobile plastic seat cushions in the middle west.

The many-colored cushions are filled either with rubber coated hog hair, picked cotton, shredded latex foam rubber, or processed material according to the desires of the trade. They are marketed through the Active Specialty Co., Inc., Chicago.

The cover is a plastic product of coal oil.

Another product to be manufactured in the millions will be steering wheel covers.

A giant machine operated by one woman does the quilting of the material. Nylon thread is used which stretches the same as the material sewed gripping the steering wheel.

For winter driving there are covers of frieze and for summer driving as well as winter the quilted material. A big \$8,000 cutting machine slices hundreds of strips of material at one time.

The women at the sewing machines do the binding.

The factory soon will start work on the making of 40,000 bird cage covers and 100,000 seed guards for cages. These will be made of brightly colored plastic materials and will be marketed through the Hartz Mountain Products, Inc.

Of greatest worry to the company now is a place for storage because much of the space is now taken by machinery.

Employees are finding H and T a nice place to work and the management is pleased with the kind of help available in Antioch.

Antioch High to be Host to 282 Students at Vocations Confab

Seven Schools of Northwest Conference Will Be Represented

Two hundred and eighty-two students from seven high schools in the Northwest conference will be guests of Antioch Township High School Tuesday afternoon at the annual Vocations day.

It will be the first time that Antioch has been host to the event.

Elmo Edwards, Antioch's assistant principal, serving as chairman of the program committee announced the following program for the day:

General session at 12:55 p. m. in the auditorium with H. L. Wesner, principal of Ela-Vernon Township High school giving the welcome address. The main address will be given by R. D. Mertes of the United Air Lines.

1:40 p. m.—Armed Forces session for boys in the auditorium. Speakers will be Lt. Col. F. B. Woodworth and Capt. James H. Voyles of the United States Air Force.

Choice of Meetings

1:40 p. m.—Armed Forces session for girls in the cafeteria. Speakers will be Lt. Helen Staub, WAVE procurement officer, U. S. Navy, and Sgt. Howard D. Kirkpatrick representing the WACs and WAFs.

1:40 p. m.—Stenographic and general office work for girls—Miss Jean Mayhew of the Moser Business College, Chicago, speaker.

From 2:25 to 3:50 there will be 10 group meetings. Students will attend one meeting of their first choice from 2:25 to 3:05 and of their second choice 3:10 to 3:40 p. m.

Ten Group Conferences

The group meetings will be as follows:

Aviation—E. A. Cushman, Institute of Aviation, University of Illinois, speaker.

Art and interior decoration—Ruth Wade Ray of Ray-Vogue school, Chicago, speaker.

Beauty culture—S. R. Friedman, president of the American School of Beauty Culture, Chicago, speaker.

Construction trades—Robert S. Nichol, Chicago, and Herbert Orth, Orth Construction Engineers, Woodstock, speakers.

Mechanics—H. P. Harshbarger, Greer Shop Training, Inc., Chicago, speaker.

Music and entertaining—Hans Von Holwede, Hammond Organ Co., Elgin, speaker.

Nursing—Miss Adelle Fritz, assistant director of education, Passavant hospital, Chicago.

Radio, electronics, television—W. R. McGowan, DeForest Training, Inc., Chicago.

Sales and Advertising—R. D. Brodie, Jewel Tea Co., Barrington.

Teaching—W. R. Etherton, assistant superintendent of schools, Cook county.

Albert R. Dittman is the host principal and Ray Mills, Palatine, and Martin Zuckerman, Bensenville, are members of the program committee.

Duben in Caribbean

Robert F. Duben, hospital corpsman third class, USN, grandson of Mrs. Margaret Duben of 807 North Main street, Antioch, is serving aboard the amphibious flagship USS Pocahontas. The ship is taking part in Atlantic amphibious exercise two of 1953 as the force conducts one of its most extensive training exercises since World War II.

Little League Will Meet Sunday; Seek Site for A Diamond

Field on Village Property Can Not Be Used This Year

Antioch Little League officials, managers, parents and players will meet Sunday afternoon at Antioch grade school to prepare for the 1953 season. The meeting will start at 2 p. m., and all parents of boys of Little League age are invited to attend.

Problems in getting the Little League started for the year center around obtaining a suitable field for the little leaguers. C. A. Wolfenbarger, president of the local organization, said today that the diamond used last season would not be available, due to subdivision of the village land east of the tracks where the boys played last season.

Wolfenbarger said that village officials had turned a deaf ear to requests for use of the village park on Williams street, and that finding a suitable site for the diamond will be the main business at the meeting Sunday, although a good many other matters pertaining to operation of the league will be discussed.

Managers for the coming year have already been selected, and the annual auction for players will take place soon. Each manager is given a specified number of points with which to bid for players, who are placed in the pool, thus bringing about a fairly even balance between competing teams.

Expect Crowd at Concert at High School Thursday

A near capacity crowd is expected to avail itself of the opportunity to hear one of the finest choral groups in the midwest next Thursday evening, when the Kenosha Methodist Men's glee club presents a concert under the auspices of the Building Committee of the Antioch Methodist church.

The concert will take place Thursday evening, March 19, at the new high school auditorium.

The glee club is rapidly gaining renown throughout the area and is expected to attract many music lovers who have little opportunity to hear this type of music. Selections to be presented will include "Where Song Is Sweet"—San Souci; "I Passed by Your Window"—Taylor; "Halls of Ivy"—Chappel; and other familiar selections. Sacred music will include "This Is My Father's World," "The Prayer Perfect" and "Beautiful Saviour."

Miss Patricia Timm, James Pearce and Robert Joling will present solos. Tickets for the concert are available from members of the committee and at the Antioch News, Wilton Electric Shop, Nelson's Real Estate, and the Antioch Lumber and Coal company.

Funeral services were held Wednesday at the Strang Funeral home. Mr. Alfred Smith of Milwaukee, Wis., was in charge of the funeral service. Burial was in Hillside Cemetery.

Board of Education Makes Detailed Plans For School Addition

Members of the Antioch Grade School board met Tuesday evening with the architect in making final plans which will be submitted for bids. While general plans were adopted at the start those now worked upon are the details.

Mrs. Joseph Patrovsky, appointed to the board, will be a candidate to succeed herself in filling out the unexpired term of Wendell Nelson.

Henry Rentner and Arthur Laursen who were reluctant to serve were induced to run again by their friends and will be candidates for three-year terms.

Deadline for filing petitions is Saturday, March 21, and it is believed that one or more additional candidates will file before that time. The election will be held on Saturday, April 11.

Fox Lake Cagers Take Tourney

A speedy Fox Lake team captured first place in the first annual Antioch grade school tournament held last week-end at the local grade school gym. Zion won second honors with Antioch taking third.

The tournament was well attended and spectators were surprised by the exceptional brand of ball playing displayed by the grade school youths.

Fire Chief Home

Fire Chief Edgar Simonsen was brought home Monday from St. Therese hospital, Waukegan, where he underwent surgery. He necessarily will be confined to his home for a while before returning to work at the R and J Chevrolet garage.

Eleven New Members Elected to Honors Group at A. T. H. S.

Six seniors and five juniors were elected to the National Honor Society at Antioch Township High school this week.

The seniors are Boake Baird, William Deering, Mary Fields, Robert Hennquist, Jeanne Hughes and Bruce Stahmer.

The juniors are Joanne Haak, Wendy Midgley, Donna Martin, Shirley Ross, and William Terry. Juniors elected last year and re-elected this year as seniors are Eugene Baethke, Charles Bock, Joan Cervinka, and Lorraine Steinel.

The students were chosen on the basis of character, scholarship, leadership, and services to the school.

V. F. W. Sets Mar. 14 For St. Patrick Dance

The Veterans of Foreign Wars made plans at the last meeting to celebrate St. Patrick's day with a free dance and party Saturday, Mar. 14. It will be held in the club rooms located at Route 21 and Loon Lake road starting at 8 o'clock and will be open to the general public.

All members of the V. F. W. are reminded that next Monday night, Mar. 16 is a regular business meeting night of the post and at which time the annual election of officers will take place. Each member is urged to come out to this meeting and help elect a slate of officers for the coming year.

Lakeland Players To Present Play, "Harvey" in Fall

Mr. Claire Lundy, associated with the Lundy School of Expression and also with the Serio-Comic Players of Waukegan, cast the fall production of the Lakeland players at a recent meeting of the Players held at the home of Mr. and Mrs. Wendell Nelson at Lake Villa.

Chosen for production during the next season for the first offering was "Harvey," well-known comedy. Those in the cast will be Mrs. Jack Steiber, Mrs. Lee Goons, Robert Taylor, Harold Nelson, Mr. and Mrs. M. W. Hagen, Mr. and Mrs. Robert Lindblad, Mr. and Mrs. Ray Westlund, and Mr. and Mrs. Wendell Nelson.

Willmot Play Tomorrow
Willmot High school will present the comedy "Off the Track," at 8:15 p. m. tomorrow at the school auditorium. The cast of 13 persons will be directed by Genevieve Guyler, a teacher, and Audrey Price, a student.

Ballot Ready for Town Election on Tuesday, April 7

With Monday, March 9th, the deadline, passing without any withdrawals of papers of candidacy, the town ballot will go to the printers this week.

Candidates on the ballot will be the same as previously reported with the exception of an additional candidate for constable, namely Gile Edwards of Channel Lake, whose name was inadvertently left out of listings of candidates in previous stories of the coming election.

Candidates are being invited to submit autobiographical material to the Antioch News, that they may be better known by voters before the April 7th election.

Conference Will Have Greater Number of Activities Gatherings

Additional activities days were planned for the Northwest High School conference in a meeting of principals at Palatine yesterday.

Besides the Music Festival, College day, Vocations day and Student Council days, the principals plan to add Girls' Athletic Association day, Lettermen's day, Cheerleaders' day, and Drama and Speech day.

"We plan to bring these groups of central interest together at least once a year to discuss their problems and to arrive at solutions where possible," said Principal Albert Dittman who with his assistant, E. W. Edwards, attended the meeting.

The principals will meet next month at Wauconda and there will set the dates and select the places for the meetings.

Those who presented the plan to the group were Principals Richard Warfield of Wauconda, and Dr. Watson of Northbrook.

Receive Copy of 100-Year-Old Letter Mailed to Penn. from Lake County

A very interesting letter, written on March 14, 1853, was received this week at the Antioch News from James M. Bigelow, 2031 E. Fernwood Ave., Milwaukee. Mr. Bigelow's letter is reproduced below:

Feb. 27, 1953

Editor, Antioch News, Antioch, Illinois

Dear Mr. Editor,

I came across an old letter in my collection which I thought might perhaps be of some interest to you. It is not a remarkable letter except that it was written by a youth of your section of Lake County to his uncle in Pennsylvania just a hundred years ago.

It was posted at Ft. Hill, which I was able to locate on a 1837 map of Illinois, but was written at Yorkville, likely a crossroad "corners" nearby.

The letter is written in ink on yellow paper with pale blue lines, about 10 x 15 inches in size, folded to about 3x5, had been sealed with wax, addressed on the front side, a regular "folded letter" of that day. No postage stamp was used, probably not available, also not required at that time.

The address appears as follows, letter for letter:

Charles Kennedy
North Hampton Co
Slate Ford Po
Penn

Ft Hill

The postmaster wrote in the "Ft Hill" and "Paid 3."

(A typewritten copy of the old letter was enclosed.)

Yorkville Lake County Ill.

March 14th 1853

Dear uncle I take this opportunity to inform you that we are well at present hoping those few lines to find you in the same state of health.

It has been some time since we heard from you, but still we have not forgotten you, I will now give you a little account of things in Illinois times is very hard here, wheat winter, is from 80 cts to 95 a bushel spring is 70 cts to 75, oats is 25 to 30 cts potatoes is 30 to 35 cts pork is \$8.50 per cwt, beef is \$4 to \$5 per cwt, weas is from \$13 to \$15 dollars a month, oxen is 80 to \$90 a yoke horses is accordingly land

H & T Co. Factory Has Rapid Expansion; Employs 40 Women

Antioch Industry Makes Millions of Plastic Car Accessories

Started only last year, the H and T Manufacturing Co. is already cramped for room at its plant in the former Burgess Battery Co. building, so rapidly has it grown.

Forty women are now employed in turning out thousands of different articles, mainly automobile accessories.

William Nilsson, vice president and Thor Peterson, as plant manager, have progressed rapidly in developing the factory as the largest manufacturers of automobile plastic seat cushions in the middle west. The many-colored cushions are filled either with rubber coated hog hair, picked cotton, shredded latex foam rubber, or processed material according to the desires of the trade. They are marketed through the Active Specialty Co., Inc., Chicago.

The cover is a plastic product of coal oil. Another product to be manufactured in the millions will be steering wheel covers.

A giant machine operated by one woman does the quilting of the material. Nylon thread is used which stretches the same as the material sewed gripping the steering wheel.

For winter driving there are covers of frizee and for summer driving as well as winter the quilted material. A big \$8,000 cutting machine slices hundreds of strips of material at one time.

The women at the sewing machines do the binding.

The factory soon will start work on the making of 40,000 bird cage covers and 100,000 seed guards for cages. These will be made of brightly colored plastic materials and will be marketed through the Hartz Mountain Products, Inc.

Of greatest worry to the company now is a place for storage because much of the space is now taken by machinery.

Employees are finding H and T a nice place to work and the management is pleased with the kind of help available in Antioch.

Antioch High to be Host to 282 Students at Vocations Confab

Seven Schools of Northwest Conference Will Be Represented

Two hundred and eighty-two students from seven high schools in the Northwest conference will be guests of Antioch Township High school Tuesday afternoon at the annual Vocations day.

It will be the first time that Antioch has been host to the event.

Elmo Edwards, Antioch's assistant principal, serving as chairman of the program committee announced the following program for the day:

General session at 12:55 p. m. in the auditorium with H. L. Wesner, principal of Ela-Vernon Township High school giving the welcome address. The main address will be given by R. D. Mertes of the United Air Lines.

1:40 p. m.—Armed Forces session for boys in the auditorium. Speakers will be Lt. Col. F. B. Woodworth and Capt. James H. Voyles of the United States Air Force.

Choice of Meetings
1:40 p. m.—Armed Forces session for girls in the cafeteria. Speakers will be Lt. Helen Staub, WAVE procurement officer, U. S. Navy, and Sgt. Howard D. Kirkpatrick representing the WACS and WAFS.

1:40 p. m.—Stenographic and general office work for girls—Miss Jean Mayhew of the Moser Business College, Chicago, speaker.

From 2:25 to 3:50 there will be 10 group meetings. Students will attend one meeting of their first choice from 2:25 to 3:05 and of their second choice 3:10 to 3:40 p. m.

Ten Group Conferences
The group meetings will be as follows:

Aviation—E. A. Cushman, Institute of Aviation, University of Illinois, speaker.

Art and interior decoration—Ruth Wade Ray of Ray-Vogue school, Chicago, speaker.

Beauty culture—S. R. Friedman, president of the American School of Beauty Culture, Chicago, speaker.

Construction trades—Robert S. Nichol, Chicago, and Herbert Orth, Orth Construction Engineers, Woodstock, speakers.

Mechanics—H. P. Harshbarger, Greer Shop Training, Inc., Chicago, speaker.

Music and entertaining—Hans Von Holwede, Hammond Organ Co., Elgin, speaker.

Nursing—Miss Adelle Fritz, assistant director of education, Passavant hospital, Chicago, speaker.

Radio, electronics, television—W. R. McGowan, DeForest Training, Inc., Chicago, speaker.

Sales and Advertising—R. D. Brodie, Jewel Tea Co., Barrington, speaker.

Teaching—W. R. Etherton, assistant superintendent of schools, Cook county.

Albert R. Dittman is the host principal and Ray Mills, Palatine, and Martin Zuckerman, Bensenville, are members of the program committee.

Duben in Caribbean

Robert F. Duben, hospital corpsman third class, USN, grandson of Mrs. Margaret Duben of 807 North Main street, Antioch, is serving aboard the amphibious flagship USS Pocahontas. The ship is taking part in Atlantic amphibious exercise two of 1953 as the force conducts one of its most extensive training exercises since World War II.

Little League Will Meet Sunday; Seek Site for A Diamond

Field on Village Property Can Not Be Used This Year

Antioch Little League officials, managers, parents and players will meet Sunday afternoon at Antioch grade school to prepare for the 1953 season. The meeting will start at 2 p. m., and all parents of boys of Little League age are invited to attend.

Problems in getting the little league started for the year center around obtaining a suitable field for a baseball diamond for the little leaguers. C. A. Wolfenbarger, president of the local organization, said today that the diamond used last season would not be available, due to subdivision of the village land east of the tracks where the boys played last season.

Wolfenbarger said that village officials had turned a deaf ear to requests for use of the village park on Williams street, and that finding a suitable site for the diamond will be the main business at the meeting Sunday, although a good many other matters pertaining to operation of the league will be discussed.

Managers for the coming year have already been selected, and the annual auction for players will take place soon. Each manager is given a specified number of points with which to bid for players, who are placed in the pool, thus bringing about a fairly even balance between competing teams.

Expect Crowd at Concert at High School Thursday

"A Near Capacity Crowd is Expected to Avail itself of the opportunity to hear one of the finest choral groups in the Midwest next Thursday evening, when the Kenosha Methodist Men's glee club presents a concert under the auspices of the Building Committee of the Antioch Methodist church."

The concert will take place Thursday evening, March 19, at the new high school auditorium.

The glee club is rapidly gaining renown throughout the area and is expected to attract many music lovers who have little opportunity to hear this type of music. Selections to be presented will include "Where Song Is Sweet"—San Souci; "I Passed by Your Window"—Taylor; "Halls of Ivy"—Chappel; and other familiar selections. Sacred music will include "This Is My Father's World," "The Prayer Perfect" and "Beautiful Saviour."

Miss Patricia Timm, James Pearce and Robert Joling will present solos. Tickets for the concert are available from members of the committee and at the Antioch News, Wilton Electric Shop, Nelson's Real Estate, and the Antioch Lumber and Coal company.

Red Cross Drive Gains Momentum

Mrs. H. J. Ruggles, local Red Cross Drive chairman, reports that the local drive for funds is getting under way in good shape this week and that chairmen of the various territories are currently making their canvasses. Inclement weather last week hampered the drive.

One new chairman was appointed during the week when Mrs. J. W. Woods accepted the job for Lake View Subdivision.

Mrs. Ruggles, Mrs. H. J. Brogan, Mrs. O. R. Kresse, and Mrs. William Brook were in the two Antioch banks all during banking hours last Saturday, and report a good response to the drive.

Checks from organizations and clubs are beginning to come in, said Mrs. Ruggles, and she added that the need for Red Cross funds is greatly increased this year because the Red Cross has accepted the job of providing blood for the armed forces. She said that the blood will still be distributed by the armed forces, but that the Red Cross had taken over the job of obtaining the blood. About \$7,000,000 will be needed to handle the job, in addition to the regular budget of the Red Cross.

Fire Chief Home

Fire Chief Edgar Simonsen was brought home Monday from St. Therese hospital, Waukegan, where he underwent surgery. He necessarily will be confined to his home for a while before returning to work at the R and J Chevrolet garage.

Gibbs Auto Damaged by Fire Yesterday

The Antioch fire department was called to the Don Gibbs residence on N. Main st. at 6:45 a. m. yesterday in extinguishing a fire that consumed the front seat of the family automobile, a Chrysler four door sedan.

The fire is believed to have started from a short circuit in the cigar lighter which was in the back of the front seat.

Vern Barnstable, who is serving as chief in the absence of Fire Chief Edgar Simonsen said the fire and smoke will make an expensive repair job necessary. Gibbs is proprietor of the variety and gift store.

Mrs. Ruby Rudolph Dies Sunday, Mar. 8, at Channel Lake

Mrs. Ruby Rudolph, 61, Channel lake, died Sunday, March 8, at 3 a. m. after a lingering illness, at the home of her daughter, Mrs. Ruby Bach, of Channel Lake.

She was born December 16, 1891 at Spring Grove, Ill., and moved to Antioch forty-two years ago. Mr. and Mrs. Rudolph operated a farm on route 173 at Channel lake for many years. Her parents, Mr. and Mrs. William Watts, were early settlers and owned the farm land which is now Fox Lake Vista subdivision, near Fox Lake. Mrs. Rudolph was a member of Jehovah's Witnesses.

Relatives surviving are five sons, Adrian, of River Forest; Elmer, of Antioch; Harold, Mira Loma, Cal.; Charles, Baraboo, Wis.; Howard, Antioch; one daughter, Mrs. Ruby Bach of Antioch; three brothers, Benjamin, Harold and George Watts, all of Fox Lake; ten grandchildren, and one great-grandchild. She was preceded in death by her husband, Charles O. Rudolph, on August 6, 1952.

Funeral services were held Wednesday at the Strang Funeral home. Mr. Alfred Smith of Milwaukee, Wis., was in charge of the funeral service. Burial was in Hillside Cemetery.

Board of Education Makes Detailed Plans For School Addition

Members of the Antioch Grade School board met Tuesday evening with the architect in making final plans which will be submitted for bids. While general plans were adopted at the start those now worked upon are the details.

Mrs. Joseph Patrovsky, appointed to the board, will be a candidate to succeed himself in filling out the unexpired term of Wendell Nelson. Henry Rentner and Arthur Laursen who were reluctant to serve were induced to run again by their friends and will be candidates for three-year terms.

Deadline for filing petitions is Saturday, March 21, and it is believed that one or more additional candidates will file before that time. The election will be held on Saturday, April 11.

Fox Lake Cagers Take Tourney

A speedy Fox Lake team captured first place in the first annual Antioch grade school tournament held last week-end at the local grade school gym. Zion won second honors with Antioch taking third.

The tournament was well attended and spectators were surprised by the exceptional brand of ball playing displayed by the grade school youths.

Hijacking the States

The efforts of politicians in Washington to destroy states rights have become increasingly brazen in the past decade.

The recent political play to rob the states of their tidelands capped the climax. Almost the last act of Mr. Truman was an attempt to reverse the action of Congress, by issuing an executive order setting aside the tidelands-oil areas as a naval reserve.

If one president is allowed to hijack states of their oil lands for the federal government, why can't another president hijack their timber lands, wheat lands, coal lands or anything else which "he" deems essential for federal reserves?

The excuse for such undemocratic action always is that some big, bad corporations want to rob the helpless states, so the federal government should rob them first. To swallow such baloney one has to accept the theory that "the king can do no wrong."

As a matter of fact and record, the states can deal with corporations to which they lease lands, but they can't even make leases when their lands are placed in federal reserves. Their tax revenues are destroyed and development too often stops.

The enormous quantities of oil products which this nation needs have always been and are being supplied by a highly progressive and competitive industry, and it would still have to supply our gasoline and oil whoever owned the tidelands. For defense purposes the government would always have first call. Then why rob the states of their natural resources? That would not increase the oil supply by one gallon—it would probably decrease it by red tape and killing incentive to produce.

Off to a Good Start

This is a mechanized age.

We see the evidence of that fact everywhere—in our homes and businesses, in the great cities and the small towns. And nowhere has the machine effected a swifter or more dramatic revolution than on the American farm.

Today, it is estimated, our farmers are using more than \$12,500,000,000 worth of machinery—tractors, corn pickers, combines, hay balers and so on

down the long list. These mechanical marvels perform basic farm tasks far more cheaply, far more swiftly, and far more efficiently than is possible with human or animal labor. They have been one of the biggest factors in increasing the farm income—and in making it possible for a small percentage of the population to provide ample farm products for all the rest of us, with heavy quantities left over for export to less fortunate lands.

This represents tremendous progress. But it is not the end of the story. In agriculture, the mechanized age is still far from maturity.

An authority on farm management has stated that the average American farmer is actually working for less than one dollar an hour. Commenting on that fact, the president of an organization which markets farm equipment nationally said, "There can be only one explanation for this. It is simply that not enough tools have been provided for the American Farmer. Power has not yet been applied to enough of the jobs that make up the complex business of farming. The average farmer still does 60 per cent of his work without benefit of any power other than his own muscles."

The machine has been a boon to agriculture. What is needed now is still more machines, still more mechanization, still greater gains in productivity and efficiency.

The Low Down from Hickory Grove

I doff my chapeau today to the police of the land—and the highway patrol. Last night here at Hickory a misguided AWOL marine, loaded down with heavy artillery, held up a cigar store. A night officer cornered the tough egg—told him to drop his shootin' machinery quick. The hold-up guy decided it was best to do so, but he might just as likely have started shootin'.

All day long and night long the police and the patrol devote their time to making it safe for Mr. and Mrs. Citizen to venture forth. Their pay don't hold a candle to the pay of many jobs that carry no hazards such as facin' loaded guns. A patrolman stopping a speeding driver don't know if the driver is comin' out blazin' or what, but he stops the guy. It is his frequent chore. He deserves high praise—he is your friend, even if you don't know it. He don't flag you down for his own pleasure when you hit it up to 70—he just postpones for you the day that such kind of fool driving will put you in the mortician's ante room.

Before the city manager or the mayor or a 100 other cushioned chair jobs have their salary boosted, some heed and thought and more dinero should come the way of the men whose job it is to tame the unruly.

Yours with the low down,
JO SERRA

WILMOT

Mr. and Mrs. Mike Seitz accompanied Mr. and Mrs. Charles Hoffer of Burlington to the Home show in Milwaukee Sunday.

Mr. and Mrs. Ray Wertz entertained Mr. and Mrs. Norman Roberts and family, Lyons, Mr. and Mrs. Joe Rausch and family, Mr. and Mrs. Lyle Techert and Terry, Melvin Wertz, Eileen Kennedy, Chicago, Mr. and Mrs. Wm. Wertz, Sunday, in honor of Mrs. Wertz' birthday.

Mr. and Mrs. Richard Carey, McHenry, announce the birth of a son, Michael Richard, March 3, at the Woodstock hospital.

Mrs. Leland Hegeman, Mrs. Tom Edwards, Mrs. Chester DeWitt, Mrs. Marlin Schnurr attended a meeting of the Women's club at the Women's club in Kenosha, Wednesday. Mr. Watte, Milwaukee, gave a talk on Glass, China and silverware.

Anna Kroncke, Mrs. Walter Bernhoff, Mrs. Marlin Schnurr, Mrs. Roy Swartz attended their bridge club at Mrs. George Hildebrandt Sr.'s at Bassett Tuesday evening.

Mrs. Millie Faber, Lyle Faber, Silver Lake, spent Friday evening with Mrs. Mary Ganzlin.

Mr. and Mrs. Lester Dix and Judy, Salem, Mr. and Mrs. Raymond Stoxen, Sr., and Charles, Loren Magee, Genoa City, were Sunday guests of Mr. and Mrs. Raymond Stoxen, Jr.

BEAUTY FOR AGED

MORE THAN TWO HUNDRED THOUSAND patients in hospitals, old people's homes, orphanages and other charity institutions will receive free beauty treatments from licensed members of the beauty profession during National Beauty Salon Week, February 22-28, 1953. Shown here is one of the "free beauty salons" which play such an important part in the rehabilitation program of many institutions throughout the country. Hairdressers Armand Ravanetti, and Ethel Shaw are providing free hair styling to patients at Goldwater Memorial Hospital on Welfare Island, New York. The great personal satisfaction and tremendous opportunity offered by the beauty profession is the reason more and more young women are taking it up as a career.

The Jolly Eight Thursday evening. Mrs. Earl Harms, Mrs. Herman Frank called on Mrs. Bertha Harms Thursday afternoon.

Arlene Kunz accompanied Mr. and Mrs. Frank Lux of Antioch to New Orleans for the week-end to visit their son, Frank, Jr., who is in the service.

Mrs. Vern Pacey and family moved from the Mayme Kroncke farm to Twin Lakes. Mr. and Mrs. Raymond Stoxen, Jr., and Margaret Rose will move on the Kroncke farm.

SHORT STORY

Got
To See You

By Clarence Sydney

"WELL, BARBARA, so long," Jeff said.

"Jeff, I take care of yourself in the army," Barbara said softly, aware of all the words she wanted to say but couldn't. Not with all those people around, and not after all the time they had worked together with nothing more to remember than that they worked together.

"Sure I will," he grinned. "Nice of the office to throw me this party as a going away present."

I hear, I have you to thank for suggesting it."

"I just happened to mention it first, that's all."

Inside she was happy that he knew it had been her. And then he was gone.

"Hey, Barbara. Boy, what an idea I got," Don shouted as he came into the office.

"Why weren't you here for Jeff's party?" Barbara asked. "He wanted to tell you goodbye."

"Forget him. Wait until you find out what a terrific publicity stunt I've cooked up."

"I don't feel like listening to your crazy ideas right now. Later, maybe."

Don watched her leave, a crooked grin on his face. "Well," he said to himself, "I'll tell her

"Scram," he said. "The lady and I just got to see each other alone."

tonight. Who knows, with that lunk Jeff gone, maybe . . ."

Barbara flung the door of her room open, and threw herself down on the bed.

Later that evening there was a knock at her door. "Barbara."

There's a card here for you."

Barbara opened the door and took the card from her landlady. It was an ordinary postcard, with her name typed on one side.

On the other was a short message:

"Got to see you. Seven p.m. ferry from the point. J."

Jeff, thought Barbara. She changed clothes, and took a cab. The ferry from the point was almost deserted at this time at night, and she just barely made it.

He wasn't in the lounge, and she stepped out on the deck.

"Barbara."

"Jeff."

They stood for a moment, looking at each other, and then he was holding her close. "Darling," he murmured, "To think that I almost left without telling you I loved you."

"Jeff," Barbara whispered, "I thought you had left."

"I go tomorrow morning. Will you wait for me?"

"I'll wait. I'll wait as long as I have to. Oh, Jeff, honey, why haven't you told me before?"

"I always thought you were Don's girl."

"Never. But why didn't you tell me you didn't leave until tomorrow?"

"You didn't know?" he asked. "Not till I got your card."

"You got my card? I got yours, you mean." He took a postcard from his pocket. It was addressed to him, and said: "Got to see you. 7 p.m. ferry from the point. B."

"But I didn't send that. I got this one." She showed him the card she had received. They stood staring at each other.

"Hey. There you are. I thought you had gone off to the arms of Uncle Sam." Don stood beaming at them.

"What are you doing here?" Jeff demanded.

"My idea. It worked."

"What idea?" Barbara asked.

"The cards. See, I mail the cards out to people. They come to find out what it's all about, and I give them a prize, or some tickets to a show. Great publicity stunt, see. Maybe for a perfume advertiser. We give them a bottle of perfume. Or some soap for another advertiser. It's a natural."

"But why the initial J?" Barbara asked.

"Every gal knows somebody named John, or Jack, or Jim, or Joe. Same with the B, there's Betty, Betsy, Bertha, Bonny. Oh, it's a great idea. Don't you think?"

"Yes," Barbara sighed. "It was a great idea, Don. Just wonderful."

Jeff kissed her again. "Terrific. Now scram, Don. The lady and I just got to see each other—alone."

Have you
tried the New TT* Dynaflow?

*Twin-Turbine— or, Terrific Take-Off!

WE knew it was good from the moment we tried it.

But man!—you ought to hear the raves about Twin-Turbine Dynaflow Drive† from the people who've been trying and buying the new Buicks.

One word wraps up the whole story—sensational.

Have you tried it?

Have you pressed the pedal of a 1953 Buick with this new wonder drive and thrilled to the greatest getaway in all Buick history?

Have you felt the jet-like take-off that sweeps you from zero to 30 mph before you take two breaths—and in a perfect progression of complete and utter smoothness?

And have you discovered what else goes with this quieter, infinitely smooth, dazzling new getaway?

New luxury interiors, for one thing. And new braking power. And easier handling. And a still finer ride. And new record-high horsepowers and compression in all models—with the world's newest V8 engine powering the ROADMASTER and SUPER.

But why miss a world of new thrills?

If you haven't yet sampled a new Buick with TT Dynaflow, we cordially invite you to do so—without obligation, of course. Can you drop in this week?

†Standard on Roadmaster, optional at extra cost on other Series. ††Optional at extra cost on Roadmaster only.

SOCIETY EVENTS

Woman's Club Members To Make Tour Apr. 6

Members of the Antioch Woman's club will take a tour to Chicago on Monday, April 6, to visit the radio program "Ladies Fair" and the Tribune Tower as well as other points of interest in the city. The group will board a chartered bus at Lake and Main streets at 8 a. m. and will arrive in Chicago in time for the 10 o'clock broadcast of the program.

They will disperse for lunch at places of their own choosing and meet again at 2 p. m. for a tour of the Tribune plant. The bus will leave for Antioch at 4 p. m. Mrs. Louis Biel and Mrs. Donald Stowe, chairmen, said that members should make reservations early since a limited number can be accommodated.

Style Show March 16

Maria's dress shop will present a style show at the next meeting of the club to be held on Monday, March 16. The meeting will be held in the Fire Department recreation room, and will begin at 1:30. Hostesses for the meeting will be Mrs. O. R. Kresse, Mrs. Irving Vaughn, Mrs. Fred Swanson, Mrs. Edward Jacobs, Mrs. Arthur Smejkal, Mrs. William Osmond and Mrs. Luliver Lasco.

V.F.W. Auxiliary

Elects Officers

Officers for the coming year were elected at a meeting of the Ladies' Auxiliary of the V. F. W. held Monday evening.

Elected to office were Lois Peterson, president; Sr. vice, Mrs. Sheridan Burnette; Jr. vice, Mrs. Virgil Burnette; treasurer, Mrs. Richard Burnette; Chaplain, Nellie Hanke.

Mrs. Burt Anderson was elected conductress; Mrs. Irving Barnstable, Jr., guard; Mrs. Warren Edwards, secretary; trustees are Mrs. Irving Barnstable, Sr., and Mrs. Art Swanson.

Mrs. Warren Edwards, Mrs. Jake Fish and Cecile Blumenschein were elected delegates with Mrs. L. R. VanPatten, Mrs. Ann Nelson and Mrs. Fred Bartlett as alternates.

Women of Moose Plan Initiation, Speaker

The Antioch chapter of Women of the Moose voted a new member into the organization at a regular meeting last Thursday evening.

Refreshments were served by Rose Kennedy, Lucy Himens, Sonya Arndt, and Maude Johnson.

The next meeting will be held Thursday, Mar. 19. There will be initiation and a guest speaker will be procured by Beverly Roberts, social service chairman.

Channel Lake Cubs

Consolidate; Will Meet at C. L. School

Channel Lake Cub Scouts who have been meeting separately by dens, will now meet on Thursday afternoons at 3:30 p. m. at the Channel Lake school, and the whole cub group will meet together, with all den mothers participating. Cub Scout Master Bill Amendola said that he expects to find the new arrangement more advantageous, for both the den mothers and the boys. Den mothers are Cecelia Portalski, Genevieve Sullivan, Marianne Palm, June Soncek, and Carol Onstad. All boys from 8 to 11 years are invited to take part in the Channel Lake cub scout activity.

WCS WILL MEET

WEDNESDAY, MARCH 18

Mrs. Anton Johnson will lead the devotions next Wednesday afternoon at 1:30 when the Women's Society of Christian Service of the Antioch Methodist church will meet. Movies of Africa will be shown. Mrs. D. N. Deering heads the committee in charge of refreshments.

THIRD LENTEN LUNCHEON

THURSDAY AT ST. IGNATIUS'

The third and last in a series of Lenten Luncheons, sponsored by the Ladies' Auxiliary of St. Ignatius' church will be held next Thursday, March 19. Serving will begin at 11:30. Mrs. John Horan and Mrs. Donald Stowe are co-chairmen for the luncheon.

GRADE PTA WILL HEAR "WATER SAFETY" TALK MONDAY

Antioch Grade School PTA will hear a talk by William Thompson, assistant county superintendent of schools, at a meeting Monday evening. Thompson is a skilled Red Cross Safety worker, and will present interesting facts concerning water safety on the lakes.

Second Grade mothers will be hosts at the meeting.

Miss Jill Mahoney returned Wednesday from a two weeks visit with her grandparents, Mr. and Mrs. Roy Johnson of Jupiter, Fla.

The Antioch Rainbow girls will give a spaghetti dinner Monday, March 23, at the Masonic dining room. Dinner will be served from 5 to 7:30 p. m.

Sequoits End Best Season

Top picture—Antioch high school's fighting Sequoit basketball team is shown above at Elgin high school gymnasium, where the last game of the season was played. The locals succeeded in winning the first game of the regional tourney but were defeated last Thursday by Crystal Lake.

Bottom Picture—Antioch's success on the basketball courts this year was due to many factors not the least of which was large attendance of rooters at all games and especially support by the cheerleaders. Left to right they are Wendy Midgley, Sylvia Beelow, Joan Cervenka, Donna Martin, and Gail Petersen.

Newport Dance to Benefit Antioch Rescue Squad Sat.

A benefit dance, sponsored by the West Newport Mothers club, will provide a contribution for the Antioch Rescue squad Saturday evening at the Castle, routes 173 and 45. Sponsors of the event say that old and new dancing will be featured and that an excellent caller in the person of Clarence Schilde will make the old time sessions enjoyable. Refreshments will be served.

Card of Thanks

We wish to thank all our friends for their acts of kindness during the loss of our beloved husband and father.

Mrs. Emma Jarnigo and Robert

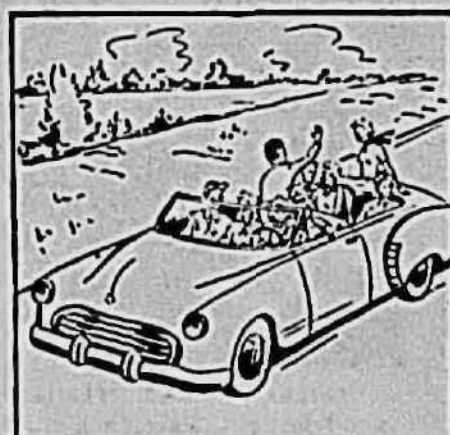

Mr. and Mrs. Bob Simon

Tips on Traffic Safety

By
EDWARD J. BARRETT
Secretary of State

Don't overcrowd your car. You may feel that you are being a good fellow to provide transportation for a group of people, but if you try to help too many of them at one time you will only be endangering their lives and your own.

In an overcrowded car, the driver's range of vision is limited

and his movements restricted. You may not be able to see a dangerous situation approaching, and when you do become aware of it, you may not be able to apply brakes or turn the wheel quickly enough to avoid a crash. Illinois law specifically prohibits driving an overcrowded vehicle and in addition it prohibits riding in a vehicle in such a position that it will interfere with the driver's view or control over the driving mechanism. (Section 93, Uniform Act Regulating Traffic.)

Tickets Go on Sale For Senior Production

Committees to take care of ushering, sale of tickets, advertising and supervision of property with membership of from six to eight students have been appointed for the senior class play "Going Places." Tickets for the comedy went on sale yesterday. There will be two performances, one in the afternoon, mainly for high school students and seventh and eighth grade pupils from Antioch and St. Peter's grade schools, and the other at night for students and adults.

Profits from the play will be used to finance the senior class cruise to Mackinac Island.

Receives B.A. Degree

Dwight E. Wildhagen received a Bachelor of Arts degree, and was one of eight Neenah-Menasha students to receive degrees from the University of Wisconsin, Madison, at the close of the first semester of the 1952-53 school year.

Wildhagen is the son of Mr. and Mrs. Roy Wildhagen, former Antioch township residents, and a nephew of Mr. and Mrs. Chester A. Paasch, Channel Lake.

Take Heed, Men

"Men need never go out of his way after women, or spend money on entertaining them. He need only sit quietly at home, and they will come to him."—Casanova.

IH...Proved Performance

New International Trucks

Laboratory-Proved, Road-Proved

The test drivers who road-proved the 307 features of the new Internationals at International Harvester's Arizona desert Proving Ground know the new line gives unequalled performance. So do the engineers who developed and proved the new Internationals at the world's most advanced truck Engineering Laboratory.

Now—features in America's most complete truck line: 168 basic models... New International styling identified by the IH emblem... First truck builder to offer choice of gasoline or LP gas with Underwriters' Laboratories listing in 1 1/2-ton sizes and other models... Comfo-Vision cab with one-piece Sweep-sight windshield... Steel-flex frames... 296 Wheelbases... Easy starting, greater fuel economy... Wide range of axle ratios... Real steering comfort and control... Sizes from 1/2-ton to 90,000 lbs. GVW rating.

New Vanilla Wafer Pie

With housecleaning and yard work already under way, you and your family need an attractive, light dessert to give the finishing sweet touch to an evening meal. Try this refrigerator pie, made bright with flavor with silver dollar size vanilla wafers. You'll find them in the yellow striped cellophane bag at your grocer's ready-to-eat cake department.

Vanilla Wafer Pie

1/4 lb. vanilla wafers, crushed
1/2 cup melted margarine or butter
1/2 cup melted margarine or butter
1 cup sifted confectioners' sugar
1 egg, beaten
12 marshmallows, cut fine
1 small can crushed pineapple, drained
2 tablespoons chopped maraschino cherries
1 pint whipping cream
Crush wafers between waxed paper with rolling pin. Combine crushed wafers and the 1/2 cup butter, reserve 1/2 cup, and press remainder firmly into a 9-inch buttered pie pan. Cream the 1/2 cup butter and blend with sugar. Add beaten egg and beat well. Add marshmallows, drained pineapple and cherries. Fold in cream, whipped stiff, and pour into pie shell. Sprinkle the 1/2 cup crumbs on top and chill overnight in refrigerator. Pipe each serving with whipped cream, if desired.

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Matthew 10:1-11:1
DEVOTIONAL READING: John 10:1-11:1

Immortal Twelve

If the twelve Apostles wanted to join your church, would you let them in? Peter Marshall thought not. Books of sermons are often dull reading, but Dr. Marshall's book called *Meet the Master* is as fascinating a book as you are likely to find anywhere. One of his famous sermons goes over an imagined application of the twelve Apostles for membership in a typical American church. One by one each man is rejected—all but Judas! As a man of money the church wants his services.

Dr. Foreman

Unpromising Material

Not to steal Peter Marshall's sermon, nor to spoil your appetite for it in case you do read it, but just to explore the possibilities, let's imagine yourself passing on the application of these men for church membership. There is Simon Peter. Well, he is a fisherman and a sailor, and you know what sailor's language is, sometimes. A man noted for talking before he thinks. Not among our best people (they would say in Capernaum); lives down by the docks somewhere, smells of fish. No education, very limited background. Better wait. Maybe he could find a little chapel down nearer his work he'd be happier there. And then there's James and his brother John. Hot-tempered and ambitious, in fact so conceited they're hard to live with. They would certainly want to be at the top—if thrones are passed out they will want one apiece in the front row. If they are crossed they are likely to call down fire from heaven—not that they'll get it, but that's the kind of young men they are. No, they will be too hot to handle. Let them go join some sect that will give their emotions a chance. We'll be too slow and too cold for them.

Nobodies

Then there is Thomas, for instance. Just the opposite of Peter. A cold, gloomy man. Takes the dark view of everything. What you want in the church is men of faith, and this is a man who is sure to be called the Doubter. Skepticism is contagious, we have enough doubters now without electing another one. Let's leave him out. Then there is Philip, a stupid man if ever you saw one. You can say a thing to him over and over and he still won't get it. And Bartholomew and Thaddeus or Lebbaeus or whatever his name is, and another James and another Simon—their names are common and so are they. Just who are they, the whole lot of them? Nobodies, that's all you can say. Can you name one that has made a name for himself outside his native village—or in it, for that matter? What have they got to contribute? Haven't we got enough dead wood in the church as it is without adding some more people who will be nothing but names? Seems to me the pastor must have been scraping the bottom of the barrel—these men certainly didn't come from the top.

Jesus Made Difference

Even worse than all that could have been said of some of the Twelve. There was one very doubtful character among them, the man Matthew the Publican. Publicans were tax-collectors for the Roman government. No one respected them; Jesus himself used the name Publican as meaning the lowest class of men. Who knew how sincere Matthew was when he joined the Twelve? There was also Judas, immortal for another reason; who was and who remained a devil. Jesus called two of these men devils at different times; Judas stayed one, but Peter changed. That lets us in to the secret of why Jesus chose these particular men. It was not for what they were at the time, not for anything they had accomplished, but for what he could do with them, that Jesus chose these men. He selected them for a particular reason; that they should go out and tell other men about him. To be ready to do this, they were to spend some time in close contact with him. When these men went out to speak for Jesus and the Kingdom of God they knew what they were talking about, and they were different men. All but Judas, who missed his life's great chance. For these other men had let Christ have his way with them. That is what the Church is and ought to be; the community of men and women who are being transformed, by Christ, for service in his name.

Favorite Child Contest Winners

Patty Welczarek, 1725 votes

Patti Thies, 688 votes (above)

Donna Homan, 620 votes (below)

Above are pictured children leading in the Channel Lake Community club's Favorite Child contest. The three above are leading the competition, which will end on June 27 at a street dance and fiesta which will be promoted by the club. Any child of the area is eligible and votes may be cast at any business place in and around Channel Lake.

Warwick Mfg. Co. Seeks 450 Employees

The first call for job interviews at the Warwick Manufacturing corporation's new television plant in Zion was issued this week by Howard Rymer, plant manager.

Rymer stated that the company, which recently bought the Fieldcrest plant at Debora and 28th streets, Zion, from Marshall Field & Company, will employ 450 people at first and will increase its work force as the new operation progresses.

Interviews with prospective supervisors and foremen will be held Thursday and Friday, March 12 and 13, from 4 to 9 p. m. at the plant. These will include: receiving, warehouse and shipping foremen; incoming inspection foreman; production control supervisor; line wiring foreman; phasing department foreman; final assembly and packing foreman; and riveting department foreman.

Non-skilled worker applicants will be interviewed Saturday from 8 a. m. to 5 p. m. for jobs as wiremen, solderers, and for light mechanical assembly work. No specialized skills are needed for these jobs other than general factory assembly experience, Rymer indicated.

Rymer said that the plant's entire personnel will be recruited from Zion and the surrounding area. He estimated that the majority of employees would be women, as most of the jobs involve light assembly work.

In addition to television sets, the twenty-one year old Warwick Manufacturing corporation makes radios of all types for large merchandising organizations, such as Sears Roebuck and Company. During World War II, the company received an "E" award for its production of electronic signal equipment for the armed forces.

Rymer indicated that the job of plant remodeling is under way and that initial production is scheduled for late April or early May.

Antioch Frosh Lose To Palatine in N-W Conference Tourney

The Antioch Township High School freshmen finished the season Monday with a loss to Palatine in the Northwest Conference freshman tournament at Grayslake 41 to 34.

In the same round of play Ela-Vernon beat Wauconda 48-21 and Grant beat Grayslake 50-20.

Ela-Vernon and Grant qualified for the finals last evening when the Cubs beat Bensenville 66-32 and Grant beat Palatine 50-26.

The loss made seven victories and 10 losses for the Papposes this year. The beginners got good training under the coaching of Paul Kes-senich and Francis Ferrigoue and as they advance they will see greater perfection in their play.

The record for the team and

players for the season was as follows:

	FG	FT	TP
Jim Bown	38	47	123
Phil Wagner	39	19	97
Frank Walsh	31	36	88
Jim Fish	46	33	85
Don Cardiff	15	19	49
Al Reckers	16	17	40
Vern Burdick	16	15	47
Chuck Behrendt	12	21	45
Jerry Meyer	0	3	3
Wayne Alshouse	0	1	1

Antioch, Illinois

ORDINANCE

AN ORDINANCE authorizing the improvement and extension of the combined waterworks and sewerage system of the Village of Antioch, Lake County, Illinois, and providing for the issue of \$45,000 Waterworks and Sewerage Revenue Bonds of said Village for the purpose of defraying the cost of constructing such improvements and extensions, prescribing all details of said bonds, and providing for the collection, segregation and distribution of the revenues of the combined waterworks and sewerage system of said Village for the purpose of paying the cost of the operation and maintenance thereof, providing an adequate depreciation fund therefor, and paying the principal and interest of said Waterworks and Sewerage Revenue Bonds.

WHEREAS, the Village of Antioch, Lake County, Illinois, has heretofore by ordinance provided for the combination of its municipally owned waterworks system and sewerage system and the issue of Waterworks and Sewerage Revenue Bonds in the principal amount of \$32,000 for the purpose of paying the cost of improvements and extensions to said combined system, said ordinance adopted by the President and Board of Trustees of said Village on June 3, 1947, under authority of the Revised Cities and Villages Act and all laws amendatory thereof and supplementary thereto; and

WHEREAS, the construction of said improvements and extensions provided for in and by the ordinance authorizing the issue of Thirty-Two Thousand Dollars (\$32,000) Waterworks and Sewerage Revenue Bonds adopted by the President and Board of Trustees of said Village on June 3, 1947, have been completed according to the plans and specifications therefor; and

WHEREAS, in and by Section 11 of the ordinance hereinabove referred to, said Village has covenanted not to issue additional bonds unless the earnings of the combined system meet the requirements set forth in said Section 11; and

WHEREAS, the earnings of the combined waterworks and sewerage system of the Village of Antioch, Lake County, Illinois, for the fiscal year beginning May 1, 1951 and ending April 30, 1952 are sufficient to comply with Section 11 of said ordinance adopted by the President and Board of Trustees of said Village on June 3, 1947, and permit the issue of the Waterworks and Sewerage Revenue Bonds of said Village hereinafter provided for within the restrictive provisions contained in said Section 11 of said ordinance above referred to; and

WHEREAS, it is necessary and imperative that the combined waterworks and sewerage system of said village be improved and extended by the construction and installation of a new well, pump and pump house and by the construction and extension of water mains, and sewer mains and a lift station together with all appurtenances and connections necessary to integrate said improvements and extensions with the existing combined waterworks and sewerage system all more fully set forth in itemized detail in the plans, files, maps and specifications now on file for public inspection in the office of the Village Clerk of this Village; and

WHEREAS, the total estimated cost of constructing such improvements, as prepared by the engineer for said Village employed for that purpose, is the sum of Forty-Five Thousand Dollars (\$45,000), and said Village does not have sufficient funds available therefor, and it will be necessary for said Village to borrow money and issue bonds in evidence thereof; and

WHEREAS, under the provisions of the Revised Cities and Villages Act, as amended, and all other laws thereto enabling said Village is authorized to issue Waterworks and Sewerage Revenue Bonds for the purpose of paying the cost of such improvements;

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, as follows:

Section 1. That the Village of Antioch, Lake County, Illinois, has heretofore and does hereby determine that the municipally owned waterworks system and sewerage system of said Village be combined and maintained and operated together as a combined waterworks and sewerage system of said Village, that said combined system shall include the entire waterworks and sewerage system of said Village and all improvements thereto and extensions thereof.

Section 2. That said Village of Antioch has caused an estimate of the cost of so improving and extending the combined waterworks and sewerage system of said village, consisting of the construction of the improvements and extensions hereinabove in the preamble of this ordinance described and set forth, together with all necessary appurtenances and connections used or useful in connection with the public convenience thereof, and has heretofore determined, and does hereby determine that the total estimated cost thereof as furnished by the engineer employed by the Village for that purpose is the sum of Forty-Five Thousand Dollars (\$45,000).

Section 3. That said Village does hereby determine the period of usefulness of such combined waterworks and sewerage system and said improvements and extensions, as aforesaid, to be made thereto to be forty (40) years.

Section 4. That said Village does not have sufficient funds available for the purpose of paying the cost of constructing such improvements and extensions, and it will require the issue by said Village of its Forty-Five Thousand Dollars

(\$45,000) Waterworks and Sewerage Revenue Bonds to secure funds for such construction costs, as recited in the preamble to this ordinance.

Section 5. That for the purpose of defraying the cost of making such improvements and extensions there be issued and sold revenue bonds of said Village to be designated "Waterworks and Sewerage Revenue Bonds," in the principal amount of Forty-Five Thousand Dollars (\$45,000), which bonds shall bear date of April 1, 1953, be of the denomination of \$1,000 each, be numbered consecutively from 1 through 45, that said bonds shall bear interest at the rate of Four Per Cent (4%) per annum from date thereof until paid, payable November 1, 1953, and semi-annually thereafter on the first days of May and November in each year, and shall mature (subject to the right of said Village to call bonds numbered 16 through 45 for prior redemption as hereinafter provided) in numerical order on the first day of May in each of the years and in amounts as follows:

\$3,000—1959 through 1973.

The Village of Antioch reserves the right to call and redeem bonds numbered 16 through 45 in their inverse numerical order prior to maturity at par and accrued interest on May 1, 1963 and upon any interest payment date thereafter, upon notice in each instance specifying the number of the bond and date of redemption, given by registered mail to the holder, if known, and as to any unknown holder such notice shall be published once in a newspaper of general daily circulation printed and published in the City of Chicago and shall be filed at the place of payment of principal and interest. The mailing of such notice shall be at least fifteen (15) days preceding such redemption date. The publication and filing of such notice shall be at least thirty (30) days preceding such redemption date, and when such bonds shall have been called for redemption and payment made or provided for, interest thereon shall cease from and after the date so specified.

Section 6. That both principal and interest upon said Waterworks and Sewerage Revenue Bonds shall be payable in lawful money of the United States of America at the First National Bank of Chicago in the City of Chicago, Illinois. Said bonds shall be signed by the President, sealed with the corporate seal of said Village, and attested by the Village Clerk, and the interest coupons attached to said bonds shall be executed by the facsimile signatures of said President and said Village Clerk, and said officials, by the execution of said bonds, shall adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons.

Said bonds, together with interest thereon, shall be payable solely from the revenues derived from the combined waterworks and sewerage system of said Village, and such bonds shall not in any event constitute an indebtedness of said Village within the meaning of any constitutional or statutory provision or any constitutional or statutory limitation.

Any of said bonds may be registered at the option of the holder as to principal only, at any time prior to maturity, in the name of the holder, on the books of said Village in the office of the Village Treasurer, such registration to be noted on the reverse side of the bonds by the Village Treasurer, and thereafter the principal of such registered bonds shall be payable only to the registered holder, his legal representatives or assigns. Such registered bonds may be transferable to another registered holder or back to bearer only upon presentation to the Village Treasurer, with a legal assignment duly acknowledged or approved. Registration of any of such bonds shall not affect the negotiability of the coupons thereto attached, and such coupons shall be transferable by delivery merely.

Section 7. That said bonds and coupons attached thereto shall be in substantially the following form:

(Form of Bond)
UNITED STATES OF AMERICA
STATE OF ILLINOIS

COUNTY OF LAKE
VILLAGE OF ANTIOCH
WATERWORKS AND SEWERAGE
REVENUE BOND

Number \$1,000

KNOW ALL MEN BY THESE PRESENTS: That the Village of Antioch, in the County of Lake and State of Illinois, for value received, hereby promises to pay to bearer, or if this bond be registered, as hereinafter provided, then to the registered holder hereof, solely from the Waterworks and Sewerage Fund of the Village of Antioch, as hereinafter mentioned and not otherwise, the sum of One Thousand Dollars (\$1,000) on May 1, 19....., together with interest on said sum from date hereof until paid at the rate of Four Per Cent (4%) per annum, payable November 1, 1953 and semi-annually thereafter on the first days of May and November in each year, upon presentation and surrender of the annexed interest coupons as they severally become due.

Both principal and interest of this bond are hereby made payable in lawful money of the United States of America at The First National Bank of Chicago, in the City of Chicago, Illinois.

This bond is payable solely from revenue derived from the combined waterworks and sewerage system of said Village, and not otherwise, and is issued under authority of the Revised Cities and Villages Act and all laws amendatory thereof and supplementary thereto, for the purpose of paying the cost of constructing necessary improvements and extensions to the combined waterworks and sewerage system of said Village, and this bond does not constitute an indebtedness of said Village within the meaning of

any constitutional or statutory provision or any constitutional or statutory limitation.

Under this Act and the ordinance adopted pursuant thereto, the entire revenue derived and to be derived from the operation of the combined waterworks and sewerage system of this Village shall be deposited in a separate fund designated as the "Waterworks and Sewerage Fund" of said Village, which shall be used only for the purpose of paying the cost of operating and maintaining such system, providing an adequate depreciation reserve, and paying the principal of and interest on the bonds of said Village that are issued under authority of said Act and are payable by their terms only from the revenue of such system, and creating and maintaining the several accounts established by the ordinance authorizing the issue of bonds of which this bond is one.

It is hereby certified and recited that all acts, conditions and things required by the Constitution and Statutes of the State of Illinois to be done precedent to and in the issuance of this bond and in raising funds to promptly assure payment thereof, have been done and have happened and have been performed, in regular and due form of law, and that provision has been made for depositing in said Waterworks and Sewerage Fund the entire revenues received from the operation of said combined waterworks and sewerage system, to be applied in the manner as set forth in the ordinance pursuant to which this bond is issued; and it is hereby covenanted and agreed that rates will be charged for the use and service of such combined waterworks and sewerage system sufficient at all times to pay the cost of the operation and maintenance of such system, to provide an adequate depreciation reserve, and to pay the principal of and interest upon all bonds issued by said Village which are payable solely from the revenues of such combined waterworks and sewerage system, and to create and maintain the several accounts established by the ordinance authorizing the issue of bonds of which this bond is one.

This bond is one of an authorized issue of Forty-Five Thousand Dollars (\$45,000), numbered 1 through 45, of the denomination of One Thousand Dollars (\$1,000) each, all of like date, tenor and effect, except as to number, maturity and redemption privilege, and the Village of Antioch reserves the right to call and redeem bonds numbered 16 through 45 in their inverse numerical order prior to maturity at par and accrued interest on May 1, 1963 and upon any interest payment date thereafter, upon notice in each instance specifying the number of the bond and date of redemption, given by registered mail to the holder, if known, and as to any unknown holder such notice shall be published once in a newspaper of general daily circulation printed and published in the City of Chicago and shall be filed at the place of payment of principal and interest. The mailing of such notice shall be at least fifteen (15) days preceding such redemption date. The publication and filing of such notice shall be at least thirty (30) days preceding such redemption date, and when such bonds shall have been called for redemption and payment made or provided for, interest thereon shall cease from and after the date so specified.

This bond may be registered as to principal in the name of the holder, on the books of said Village in the office of the Village Treasurer, such registration to be evidenced by notation of said Treasurer on the back hereof, after which no transfer hereof shall be valid unless made on said books and similarly noted hereon, but it may be discharged from such registration by being transferred to bearer, after which it shall be transferable by delivery, but it may be again registered as before. The registration of this bond shall not restrict the negotiability of the coupons by delivery merely.

IN WITNESS WHEREOF, said Village of Antioch, Lake County, Illinois by its President and Board of Trustees, has caused this bond to be signed by its President, its corporate seal to be hereto affixed and attested by the Village Clerk, and the coupons hereto attached to be signed by the facsimile signatures of said President and said Village Clerk, which officials, do adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons, and this bond to be dated as of the first day of April, 1953.

Village President

1973 3,120.00

Funds to pay said principal and interest as provided by this ordinance, together with sums sufficient to pay the fees and expenses of the paying agent herein designated, or its successors, shall be transmitted to such paying agent from time to time and at least thirty (30) days prior to the due date of any principal or interest.

(4) There shall be deposited in the Bond Reserve Account the minimum sum of Seventy-Five Dollars (\$75.00) each month until said Account aggregates the sum of Four Thousand Five Hundred Dollars (\$4,500.00), and the Village covenants and agrees to maintain said Bond Reserve Account throughout the life of said bonds until such time as the moneys in said Account are equal to the interest and principal requirements on any bonds authorized hereunder then outstanding and unpaid. Moneys in said Account may be used to pay principal of or interest on the bonds herein authorized falling due at any time when there are not sufficient funds in the Bond Account available therefor and all withdrawals therefrom shall be reimbursed from the revenues available therefor as provided herein.

Any surplus funds then remaining shall be deposited first in the Depreciation Account until such Account is established and maintained in the sum of Ten Thousand Dollars (\$10,000) which deposits shall be in addition to the minimum deposits to be made as specified in subparagraph (2) above. Any balance of surplus funds then remaining shall be deposited in the Surplus Account and shall be used or held for use exclusively (a) for the prior payment of the bonds of this issue that are subject to redemption prior to maturity or (b) for the purpose of making improvements and extensions to the system.

Section 10. If on the first business day of any month the amounts held in the Waterworks and Sewerage Fund after the payment of the necessary expense of operation and maintenance under economical management are insufficient to fulfill all of the requirements of subparagraphs (2), (3) and (4) of Section 9, then first there shall be deposited the full requirements of the Bond Account, thereafter there shall be deposited the requirements of the Depreciation Account, and thereafter there shall be deposited the requirements of the Bond Reserve Account. Deficiencies in any of said Accounts shall be made up during the following period or periods from the first funds available after payments into all accounts enjoying a prior claim of revenues have been made in full. It is hereby expressly covenanted and agreed that the revenues of the combined waterworks and sewerage system are to be paid into the various accounts herein above established and created in the order in which such accounts have been listed.

Section 11. That the Village of Antioch hereby agrees to carry insurance on the combined waterworks and sewerage system of the kinds and in the amounts which are usually carried by private parties operating similar properties, including without limiting the generality of the foregoing, fire, windstorm insurance, public liability, and any additional insurance covering such risks as shall be recommended by a competent independent engineer employed for the purpose of making such recommendations, and all moneys received for losses under such insurance policies shall be deposited in the Depreciation Account and shall be used in making good the loss or damage in respect of which they were paid either by repairing the property damaged or replacing the property destroyed, and provision for making good such loss or damage shall be made within ninety days from date of the loss. The payment of premium for all insurance policies required under the provisions of this section shall be considered a maintenance and operation expense.

The proceeds of any and all policies for public liability shall be paid into the Maintenance and Operation Account and used in paying the claims on account of which they were received.

Section 12. While any of the Waterworks and Sewerage Revenue Bonds issued pursuant to this ordinance remain outstanding or unpaid, rates charged for water and sewerage services shall be sufficient at all times to pay the cost of the operation and maintenance of the entire combined waterworks and sewerage system of said Village, to provide an adequate depreciation reserve, to pay the interest on and principal of said bonds and to create and maintain the special bond reserve of \$4,500. There shall be charged against all users of the combined waterworks and sewerage system, including the Village of Antioch, such rates and amounts for water and sewerage services as shall be adequate to meet the requirements of this section. Charges for services rendered the Village of Antioch shall be made against the said Village, and payment for the same from the corporate funds shall be made monthly into the Waterworks and Sewerage Fund created by this ordinance, as revenues derived from the operation of the combined waterworks and sewerage system, in the same manner as other revenues are required to be deposited.

Section 13. Any holder of any bond issued hereunder, or of any coupon representing interest accrued thereon may, either in law or in equity, by proper suit, compel the officials of the Village of Antioch to perform all duties required by law and by this ordinance, including the making and collecting of sufficient rates for water

and sewerage services for that purpose and application of income and revenue therefrom.

Section 14. That it is hereby covenanted and agreed that while any of such bonds herein authorized to be issued are outstanding, no additional Waterworks and Sewerage Revenue Bonds shall be issued unless the revenues derived from the combined waterworks and sewerage system for the fiscal year then next preceding were sufficient to pay all costs of operation and maintenance, to provide the minimum depreciation reserve hereinabove specified, to provide the minimum requirements of the special Bond Reserve hereinabove described, to pay all bonds therefor called for prior redemption but not yet redeemed and leave a balance equal to at least One Hundred Twenty Per Cent (120%) of the aggregate of (a) the principal and interest requirements for such year on all bonds then outstanding payable from the revenues of the combined waterworks and sewerage system, (b) one year's interest on the total issue of such additional bonds then proposed to be issued, and (c) an amount of principal of such additional bonds computed by dividing the total amount of such issue by the number of years from date of issue to the final maturity date of such additional bond issue.

Section 15. The Village of Antioch hereby covenants and agrees with the holder or holders of said bonds that it will punctually perform all duties with reference to said combined waterworks and sewerage system required by the Constitution and Laws of the State of Illinois, including the making and collecting of sufficient rates for the use and service of the combined waterworks and sewerage system of said Village and segregating the revenues of said system and maintaining the Waterworks and Sewerage Fund and the application of the respective accounts created by this ordinance, and it hereby covenants and agrees not to sell, lease, loan, mortgage, or in any manner dispose of or encumber said combined waterworks and sewerage system, including any and all extensions and improvements that may be made thereto except for the issue of additional bonds as set forth in Section 14 hereof, until all of the bonds herein authorized to be issued shall have been paid in full, both principal and interest, or unless and until provision shall have been made for the payment thereof.

Aid said Village further covenants and agrees with the holders of said Waterworks and Sewerage Revenue Bonds authorized hereunder to maintain in good condition and continuously operate said combined waterworks and sewerage system, and to make, enact and enforce all needful rules and regulations and ordinances for the efficient management and proper maintenance and protection of such combined waterworks and sewerage system and for the use and service thereof, and to make, enact and enforce all needful rules, regulations and ordinances conducive to the preservation of the public health, comforts, convenience and sanitation in respect of its operation, maintenance and management of such combined waterworks and sewerage system.

Section 16. Said Waterworks and Sewerage Fund and accounts shall be audited within sixty (60) days after the close of each fiscal year by an independent firm of certified public accountants, and such audit and accounts shall be open for inspection at all proper times to any holder of bonds issued under the provisions of this ordinance, or any one acting for or on behalf of such bondholder. Reports of the operation of the combined waterworks and sewerage system shall be furnished the President and Board of Trustees monthly and copies of the same shall be furnished to any bondholder upon request.

Section 17. That the provisions of this ordinance shall constitute a contract between the Village of Antioch and the holders of the bonds herein authorized to be issued, and after the issuance of said bonds, no changes, additions or alterations of any kind shall be made hereto, except as hereinbefore provided, until all of said bonds and the interest thereon shall have been paid in full, or unless and until provision shall have been made for the payment thereof.

Section 18. That as soon as may be after this ordinance becomes effective, said bonds shall be executed as herein provided and be deposited with the Treasurer of said Village, and said Treasurer shall deliver said bonds to Benjamin and Lang, Incorporated, the purchasers thereof, upon receipt of the purchase price therefor, the same being not less than par plus accrued interest to date of delivery thereof in accordance with their proposal for the purchase thereof which is hereby accepted and approved.

Section 19. That the proceeds received as principal from the sale of said bonds herein authorized shall be placed in a separate bank account and shall be used for the payment of the cost of construction of the improvements and extensions to the waterworks and sewerage system of said Village, in accordance with the estimates, plans, files, maps and specifications therefor prepared for that purpose, now on file in the office of the Village Clerk and open to the inspection of the public; and the accrued interest received at the time of the delivery of said bonds shall be deposited in the Revenue Bond Account hereinabove created and used for the prompt and punctual payment of the interest on said bonds.

Section 20. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not

(continued on following page)

Ordinance

(continued from preceding page)
affect any of the other provisions of this ordinance.

Section 21. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this ordinance are, to the extent of such conflict, hereby repealed.

Section 22. This ordinance, after its passage by the President and Board of Trustees, shall be published once in The Antioch News, the same being a newspaper published and having a general circulation within said Village, and if no petition be filed with the Clerk of said Village within ten (10) days after the publication of this ordinance, by fifteen percent (15%) of the voters voting for President of said Village at the last preceding general election, requesting the submission of the proposition of making the improvements and issuing bonds herein provided for, then this ordinance shall be in full force and effect.

Passed by the President and Board of Trustees on the 3rd day of March, 1953, and recorded, deposited and filed in the office of the Village Clerk of said Village this 3rd day of March, 1953.

Approved this 3rd day of March, 1953.

LAKE VILLA

The Woman's Society of Christian Service will meet at the home of Mrs. Martha Daube on Wednesday afternoon, March 18 and Mrs. Gladys Fischer will be co-hostess. Dessert luncheon will be followed by a devotional period and business meeting, and a silent auction will be a feature of the meeting.

The Rev. Ray Bond, superintendent of the Chicago Northern District of Methodist churches, presided at the conference at the church last Sunday afternoon when the officers of the year were elected and

First GMC Hydra-Matic Pickup Truck

PONTIAC, MICH.—The first GMC Hydra-Matic pickup truck rolls off the assembly line at the GMC Truck plant as three GMC officials point out the "GMC Hydra-Matic" feature. Nineteen GMC 1953 light truck models now have the famed Hydra-Matic drive available, plus a new 235 cu. in. engine of 105 horsepower and a compression ratio of 8-to-1. Standard grade fuel is used.

reports given. Supper was served in the church basement following the meeting and there was a very good attendance.

Mrs. Olive Purdy, who has been with her daughter, Mrs. James DeWaters at Venetian Village for some time, left Friday for New York to resume her former occupation of nursing. She made many friends here who hope that she will return soon.

Pfc. Charles Evanson, who has been stationed at Ft. Leonard Wood in Missouri, came Saturday evening and remained until Monday at the Fred Popp home. His wife, the former Marilyn Popp, returned with him for a short stay before his transfer to another camp for further training.

The Lake Villa grade school band took part last Saturday in a contest at Lombard and presented ten soloists and nine ensemble groups. They brought home eleven first prizes and Carlene Ekdahl was awarded superior rating in playing the flute. These first prize winners will take part in another contest at Bloomington on May 6 and the entire band goes to Plainfield on Mar. 28th.

Chris Anderson who has been in Chicago for some time for treat-

ment of his eyes, has returned to his home on Burnett ave., and is convalescing there.

Mrs. Helen Weber returned home early last week from an airplane trip to the Hawaiian Islands where she enjoyed a very pleasant vacation. Friends from St. Louis joined

her in San Francisco and enjoyed the time with her. She had a most enjoyable time and showed a number of colored slides of the places she visited at the meeting of the W. S. C. S. on Wednesday at the church. She sprained her ankle while in Hawaii which interfered a bit with her plans.

The Lake Villa Community Men's club held its regular meeting at the

MILLBURN

Regular services at Millburn Congregational church Sunday, March 15 will include Sunday school at 9:45 and church services at 11 o'clock when the Rev. L. H. Messersmith's sermon topic will be "Serving God." At 7:30 in the evening there will be a motion picture "The Bible on the Table."

Members of the Millburn Hornets 4-H club will meet at Millburn school Thursday evening, March 19. Members of Millburn P. T. A. met at the school Tuesday evening. In the election of officers Mrs. Chalmers Wooley was elected president; Mrs. Lloyd Stephens vice-president; Mrs. Vernon Cubberly secretary and Mrs. Roy Bonner treasurer. These offices were installed by the outgoing president, Mrs. Roy Boller, who presented the new president with a beautiful gavel made by Mr. Boller's father, who passed away several years ago. All enjoyed the program with Barbara Young tap dancing and Mrs. Schettler of Waukegan, a writer of children's books, who told of the steps necessary in getting a book published. She read one of her recent books, "Mike and Fanny."

Mrs. Margaret Anderson of Racine, Wis., spent several days with her niece, Mrs. Ralph Miller.

Mr. and Mrs. George Murrie and family were supper guests at the home of Mrs. Murrie's mother, Mrs. William Helman in Waukegan Sunday.

Randy and Sharon De Haan of Waukegan were week-end guests of their grandmother, Mrs. Ida Truax. Other guests at the Truax home for dinner Sunday were Mr. and Mrs. Fred Tebben and Mr. and Mrs. Geo. DeHaan of Waukegan.

Donna, Barbara and Kenneth Kane of Diamond Lake spent the week-end at the home of their aunt, Mrs. Milton Bauman.

Mrs. Arthur Myers returned home Saturday after spending a week with her daughter, Mrs. Leo Ruble in Maroa, Ill. Mrs. Ruble accompanied her mother home and spent a few days in Millburn.

Mrs. Carl Hapke spent two weeks with her sons, Raymond and Robert Strand in Peoria. She was accompanied home by Mr. and Mrs. Robert Strand and family, who remained for a few days' visit at the Hapke home.

Mr. and Mrs. W. C. Cartano of Monticello, Iowa, were recent guests of Mr. and Mrs. Lyman Thain.

Mr. and Mrs. Robert Hughes and daughter, Jan of Rachelle, Ill., and Mr. and Mrs. S. D. Hughes of Peo-

WASHINGTON AND

"SMALL BUSINESS"

BY C. WILSON HARDER

The decision to permit Chiang Kai-shek to invade Chinese mainland, if he wishes, poses economic problems receiving close attention in Washington.

The prime purpose of the decision was to encourage action to end the Korean War, and loss of American lives.

But in the attainment of this worthy objective, new problems can and will arise.

One of them: "If a Chiang learned to gull C. W. Harder sucking eggs?" When head of China, his in-laws, the fabulous Soongs, held such a monopoly on Chinese industry and business that it was referred to as the "Soong Dynasty."

The Soongs had closer ties with British interests, because Britain has no anti-trust laws such as America, to hinder British monopolies entering into unholy cartel alliances.

So Chiang escaped to Formosa, but British cartels continue to do business with China even while Americans and Britons die.

Today two 64-dollar questions are asked about China, if Chiang overthrows Communists.

1. Will Chiang encourage free enterprise or restore system that lead to Communism, 2. If he does try to set up free enterprise, will British monopolists aided by American connections permit it?

In rubber, petroleum, light metals, and chemicals, there is a great deal of evidence that some American firms have understanding with British firms to control markets.

tone, Ill., spent Saturday and Sunday with their parents, Mr. and Mrs. Carl Hughes.

HICKORY

Mr. and Mrs. Bert Edwards and Miss Doris drove to Rockford on Saturday and visited at the Ward Edwards home over Sunday.

Spencer Wells of Trevor visited the Gordon Wells home Sunday afternoon.

Mr. and Mrs. John Marso and daughter, Dawn, from Taylor Grove

visited Mrs. Dorothy Van Patten and family Sunday evening.

Friends of Mr. and Mrs. R. C. Bishop, Mrs. Grace Turnock and Mrs. Emmeline Curtis of Kenosha will be interested to hear that they are enjoying a vacation trip to Florida.

Mr. and Mrs. William Richards called on Mr. and Mrs. Victor Clays in Kenosha on Sunday afternoon.

Seasoning Stew

Give your beef stew an old-fashioned hearty flavor by using the following seasonings in it: clove of garlic, chopped onions, dash of cloves or allspice, bay leaves and Worcestershire sauce.

Mrs. Roger Huntton, Mrs. Milton Byron, Mrs. Grant Minnis and Miss Jennie Loeschner drove to Chicago on Tuesday and attended the fu-

neral of Mrs. Grace Minnis Durkin. Mrs. Durkin was the daughter of the late Mr. and Mrs. Joe Minnis. Mr. and Mrs. Ogden Fletcher and sons spent the week-end with their mother, Mrs. Janet Fletcher.

Mrs. Ida Jarnigo of Chicago has been visiting her brother, Bert Jarnigo, being called here by the death of her brother, Louis Jarnigo, of Antioch.

Mrs. Nellie Head and Mrs. Arthur Bloss, Jr., were in Kenosha Saturday afternoon.

Using Cheese

No matter how dry cheese may be, it is still usable unless moldy. When you have left-over cheese, try making a soufflé, baking some cheese biscuits, using it in au gratin dishes, melting on toast for cheese dreams, making a cheese sauce and sprinkling over ordinary dishes to add flavor.

AUCTION

2 miles north of Bristol, Wis., 7 miles south of Union Grove, being 1 mile north of Hwy. 50, 1/4 mile east of Hwy. 45, on County Trunk K, on WEDNESDAY, MARCH 18—Commencing at 12:00 o'clock

NON-SKILLED WORKERS for light mechanical assembly jobs.
Should have some factory assembly experience, not necessarily in television.

Facts About Warwick

Warwick Manufacturing Corporation, founded in 1932, makes radio and television sets for large merchandising organizations, such as Sears Roebuck & Co. During World War II, it received an "E" award for its production of electronic signal equipment for the armed forces.

The company recently purchased the Fieldcrest mill in Zion (from Marshall Field & Co. for the exclusive production of television sets. The entire work force of 450 men and women at this plant will be recruited from Zion and the surrounding area. Operation of the company's Chicago plant will continue as usual.

A job in television means sharing in the excitement of one of the fastest-growing, most modern of all industries. There will be opportunities for everyone hired at Warwick's Zion plant.

The management looks forward to a long, successful association with the people of this area.

Thompson's won two games from Loon Lake Inn.
Red Arrow Inn beat Bud's two games.

Six political job holders were carrying the body of a man who had been killed into an undertaker's establishment. The undertaker was very much annoyed. "Why," he asked, "didn't you bring this man's body here at three o'clock, as you promised? It's now after six."
"Sorry," replied the leader, "but we had to wait until the five o'clock whistle blew to find out which one of the men was dead."

SHE SAID A MOUTHFUL

Mother (who has guest at dinner)—"Cindy, don't talk with your mouth full."
Cindy—"But, mummy, what am I to do? When I talk with my mouth empty, you always say, 'Cindy, go on with your dinner.'"

Smart Boy

Uncle—"And what are you going to be when you grow up, Freddy?"
Freddy—"I'm going to be a philanthropist; those people always seem to have such a lot of money."

SHORT STORY

Clothes And the Man

By Kathryn Roberts

WHEN Sam Gleason awoke down in the jungle, the keen spring air mingled with the odors of wood smoke and boiling coffee. Carefully he folded the newspapers he had slept under and weighted them with a rock. Through the greening willows he heard coarse voices. When he approached them, they addressed him brusquely.

"Where's your dibs, Gleason? Coffee's done."

"I musta overslept," he apologized, looking at the sun. "I'll be back soon. It don't take no time at all to hit a couple of back doors. What do you want? Bacon?"

"Never mind," Dude decided. "They're enough for three. You fetch the grub for lunch."

"Yeah," Shorty leered, "and double for you, or don't come back!"

Sam grinned assent and lent himself to the breakfast. As soon as he had wiped away the remains of egg from his stubbled chin, he proceeded down the tracks and through the poorer part of town. When he came to the better

Sam made his way to the park and moved discreetly from one bench to another.

houses, he tried not to walk too jauntily.

It was then he met Reardon. Reardon was fat, well dressed, rather simple looking, and brimming with kindness.

"A dime for a cuppa coffee, Mister?" he suggested hopefully. "Sure! Sure! Poor fellow," Reardon said, fumbling in his pocket.

He finally located a coin but withdrew it just as he was about to drop it into Sam's open palm. "You have no other clothes?"

Sam shook his head sadly.

"That's a shame. I tell you what. I'll fix you up." He put his arm around Sam's soiled shoulder. At first bewildered, Sam allowed himself to be led to Reardon's car in which he was driven uncertainly someplace or other. They stopped in front of a restaurant.

"First, I bet you're hungry. Nothing like a full stomach to make the world look rosy."

"But—" Sam started to protest. "No buts about it. It's a pleasure." He insisted on Sam's downing two eggs, a stack of hot cakes, sausages and coffee.

Again he got him into the car and drove a circuitous route to a neat bungalow.

"My domain, Sam. Enter." "Nothin' doin'. I ain't goin' in there. How do I know it's your house?"

"Sure it's my house. Come on in," Reardon pleaded. "Be a nice fellow."

"You don't know what it is, Sam. You don't have a nice wife to quarrel with. She's a fine wife, and I love her, but every time we quarrel I feel so guilty. It's terrible. Then I have to do some good deed to square my conscience. You're my good deed, Sam."

He sighed before continuing and regarded the potted plant, now reposing on the bathroom rug.

"Just one thing more. I want you to give me your ragged clothes and dirty hat, Sam."

"Oh, no, I won't!" Sam said.

Without trying to coax him, Reardon snatched the disreputable heap of clothing and dashed out of the house. Sam waited with misgivings.

An hour later Reardon returned with new suit, tie, shirt, underwear and socks. He still wore his benevolence like a halo. Before he turned Sam loose, he achieved a haircut to which Sam submitted dejectedly. Reardon beamed with satisfaction when he said goodbye.

Sam made his way to the public park. Discreetly at long intervals he moved from one bench to another. Breakfast time found him there. Where else could he go? Not to the jungles empty handed. His friends had warned, "Double for you, or don't come back!"

A man sat down beside him. He started to say hopefully, "A dime for a cuppa coffee, mister?" Then he remembered that he looked like a bank clerk. He pulled his new belt tighter around his empty stomach.

A robin in a bed of daffodils braced its feet and stretched back its neck, pulling on a worm.

"Lucky bird!" Sam said.

Flyers Return

Mr. and Mrs. William Gray returned to Antioch Monday after a short flying trip to Florida. The Grays visited relatives at Ft. Lauderdale. Mr. and Mrs. Earl Arthur, in company with Calvin Harden and Harry Nelson, are making the return flight from a Florida vacation by easy stages, and were in New Orleans during the early part of this week. They are expected to pilot their planes into the home field this week-end.

Two Big Quakes

The two strongest earth shocks recorded, since the use of seismographs for measuring them became general about 50 years ago, were the Assam-Tibet earthquake of August 15, 1950, and the Colombia tremor of 1908.

Target Practice

In Birmingham, Ala., Mrs. Louise Bishop was fined \$25 for tacking a picture of her husband to the wall, firing some 70 times at it with a .32 rifle.

The Black Picture

More people have been killed in traffic accidents in the U.S. than were killed in the U.S. armed forces in all wars in American history.

Tot's Food

Children learn to like some foods that have a strong flavor—onions, for example—but they usually prefer to eat only one strong-flavored food at a meal. So turnips and peas are better dinner partners than turnips and cabbage. Most children like foods that are not highly seasoned or spiced or very sour.

Ship Ahoy

When refinishing your boat for summer sailing, it is wise to use the best grade of paint or varnish. Be sure to use only coatings that are intended for marine service. Never paint or varnish on top of grease, dirt, or old, loose paint. Before paint will adhere, the surface must be perfectly clean and dry.

Weather Prophets?

The cheerful songs of tree frogs are heard most often during damp weather and before a storm. Thus they have been given an undeserved reputation as weather prophets, but really it is only because they are stirred to life by unusual moisture in the air.

YOU GET MORE THAN A MEAL

WHEN YOU

Dine Out

Treat your family and friends to a truly enjoyable evening... bring them here for fine food served in a charming atmosphere.
